La Giraldilla
Leyenda Romántica

Una historia de amor consentida
en uno de los símbolos más
antiguos y representativos
de la Habana.

Una gran pasión de Isabel por
su esposo Hernando, quien partió
un día hacia la Florida y se mantuvo
durante días, horas enteras, en lo alto
del castillo, esperando que alguna
nave trajera de regreso a su esposo,
que nunca volvió.

Esta leyenda inspiró al escultor
de La Giraldilla a ejecutar esta
hermosa veleta que durante años
ha permanecido en la parte más alta
del Castillo de la Real Fuerza.

Delicada fragancia, aroma sutil, sólo perceptible
en su intención íntima por aquéllos que conozcan
los secretos del secreto. Dedicado a La Habana, ciudad
bella con dulce nombre de mujer, como todo buen
perfume se vuelve recuerdo inolvidable.

Eusebio Leal Spengler

*Delicate fragrance, fine aroma,
in its intimate intention to those
of the secret. Dedicated to Havana
city with gentle name of a woman,
perfume it becomes an unforgettable*

ROYAL SALUTE
21

Royal Salute was created to mark the coronation of Queen Elizabeth II in 1953 and was named after the 21 gun salute fired from the Tower of London for royal celebrations.

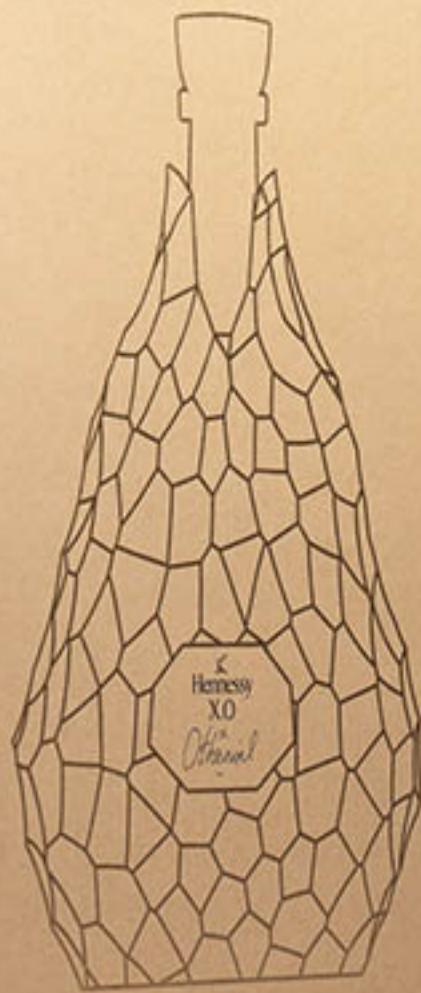

The Tower of London has a colourful history including being home to a collection of exotic animals. Free to roam the Tower's grounds for more than six hundred years, these animals were considered to be the ultimate royal gift.

"Inspired by an extraordinary royal story, I invite you to explore one of my most exciting illustrations and discover Royal Salute's unique heritage."

BALMAIN
swiss watches

Ballantine's is one of the great names in whisky,
dating back to the 1800's.

Ballantine's.

The young George Ballantine was first to realize that a
fine, richer and more balanced whisky could be achieved
through the careful layering of complementary aspects
of a variety of single malt and grain whiskies.

George Ballantine created a series of outstanding
aged signature blends which still stand to this day.
The principles he established have been upheld by five
generations of master blenders, a remarkable feat in a
history dating back nearly two centuries.

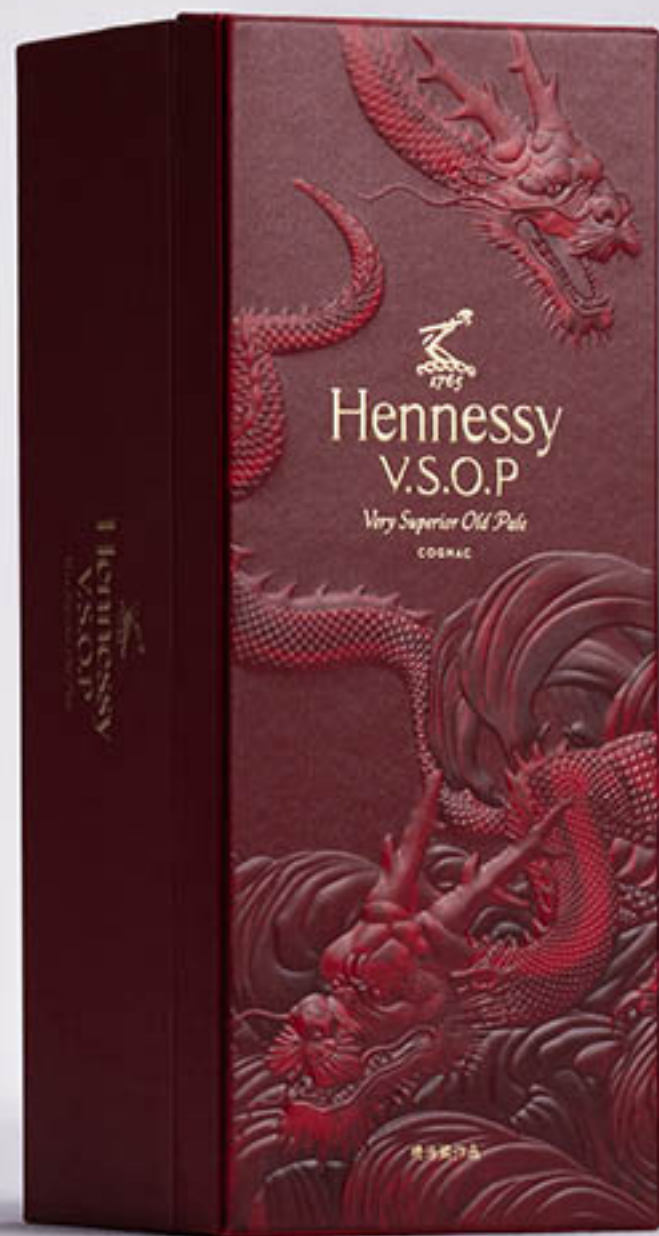

Ballantine's Limited is a whisky of amazing purity and
precision. It carries this name Limited because only
the best whiskies are used in its making, including the
company's own aged single malts Maltbush and
Glenburgie. Every cask of Ballantine's Limited is
personally overseen by the master blender and must
have his approval prior to release.

Crisp and smooth, characterized by rare peat
and peat, combined with rich vanilla flavors, this is
a whisky which honors the tradition established
by George Ballantine and a whisky of which he would
have been proud.
